

Forever Freedom2Go

Description and Purpose

Enjoy all the benefits of Forever Freedom combined with the exotic flavor of pomegranate, in a convenient, easy-to-carry pouch. Forever Freedom2Go offers the great health benefits of our patented, stabilised aloe vera gel, plus glucosamine, chondroitin and MSM, and the sweet taste of antioxidant-rich pomegranate juice.

Glucosamine sulfate and chondroitin sulfate are two naturally occurring elements that have been shown to help maintain healthy joint function and mobility. Methylsulfonylmethane (MSM) is a primary source of bio-available sulfur that the body needs to maintain healthy connective tissues and joint function. Glucosamine, chondroitin and MSM combine to provide the first line of defense for joint support.

Add to these ingredients the antioxidant-rich properties of sweet-tasting pomegranate juice (which contains more polyphenol antioxidants than red wine, green tea or blueberries) – and you have a delicious, winning combination! Not to mention, each daily serving is contained in a neat, easy-to-carry pouch, allowing you to just grab, tear open, and drink in the tasty benefits of Forever Freedom2Go.

At a glance...

- Contains glucosamine, chondroitin & MSM
- Great pomegranate taste
- Packaged in a convenient, easy-to-carry pouch

Ingredients

Stabilised aloe vera gel, pomegranate fruit juice, pear fruit juice, mangosteen (*garcinia mangostana* L) fruit juice, blackberry fruit juice, blueberry fruit juice and grapeseed extract, sorbitol, citric acid, potassium sorbate, sodium benzoate, xanthan gum, tocopherol.

Contents

88.7ml (3 fl oz) per sachet;
Individual or 30 sachets per box.

Directions

Shake well before using; tear open at notch. Consume the contents of one pouch once or twice daily, preferably before meals. Refrigerate any unused portion within 24 hours for best results. Do not use if pouch is leaking or damaged.
